FLUID MANAGEMENT & FLOOR SAFETY

Fluid Waste Manifolds

Manifolds for closed fluid waste collection, manufactured by Big FOOT and priced to compete with whatever is on your contract now.

- Keeps fluid waste contained from suction line to disposal, with no open transfer step
- Manufacturer-direct pricing on a category most systems have never rebid
- Supported by the same team that services the fluid waste systems they run on

Product Specifications

ITEM NUMBER	DESCRIPTION	PACKAGE
BF-FM-1030	Fluid waste manifold, single port	20/case
BF-FM-1031	Fluid waste manifold, dual port	20/case

> Item numbers and pack configurations on this sheet are pending final confirmation. Your quote will carry the confirmed numbers.

Need a configuration that isn't listed? Say so on your quote request and we'll price it. Call 404-488-5656 or write info@floorsuction.com.

Fluid Waste Systems

Distribution, service, and support for complete fluid waste collection systems, backed by the consumables to keep them running.

HEPA Filters

Replacement HEPA filtration for fluid waste and suction equipment, stocked so a filter change never turns into a backorder.

Quiet Big FOOT® Suction Disc

The patented vortex suction disc that clears fluid off the OR floor without the noise.
