FLUID MANAGEMENT & FLOOR SAFETY

Big FOOT Suction Kit

The suction disc and the mat in one pack. The only kit of its kind on the market, and the simplest way to standardize OR floor cleanup.

- One item number covers the whole floor protocol, so nothing gets ordered separately and forgotten
- Cuts the picking and staging work before every case
- Combination is unique to Big FOOT. No one else packages disc and mat together
- Configurations can be adjusted to match how your ORs actually run
