STERILE SOLUTIONS & SYRINGES

Syringe Fills

Prefilled syringes that take a preparation step out of the med pass and take waste out of the process.

- Removes a draw-up step at the bedside, which removes a chance for error
- Reduces the partial-vial waste that never shows up on a savings report but is real
- Standard fill volumes stocked, custom fills available on request

Syringes

Syringes across the standard volume range, in a category where a fraction of a cent per unit is real money at hospital volume.

Saline Bottles

Sterile saline in the bottle sizes ORs and floors go through daily, from a supplier that treats it as a commitment rather than a spot buy.
