STERILE SOLUTIONS & SYRINGES

Syringes

Syringes across the standard volume range, in a category where a fraction of a cent per unit is real money at hospital volume.

- Full standard volume range available
- High-turn commodity where per-unit price compounds fast against annual usage
- Second-source supply for systems that want protection against allocation

Syringe Fills

Prefilled syringes that take a preparation step out of the med pass and take waste out of the process.

IV Start Kits

IV start kits built to your component list, not to a catalog compromise.

Sterile Water

Sterile water for irrigation and preparation, supplied continuously through the national backorders that stalled everyone else.
