FLUID MANAGEMENT & FLOOR SAFETY

YETI Mats

A 20" x 30" super absorbent floor mat built to replace the towels and linens most ORs throw away after every case.

- Absorbs and holds fluid instead of pushing it around the way a folded towel does
- Replaces the stack of linens burned on floor cleanup, which takes cost out of laundry and waste at the same time
- Sized at 20" x 30" to cover the high-splash zone around the table
- Pairs with the Quiet Big FOOT disc for full floor coverage, wet zone and spread zone
